Why choose Atlas Professional?

Whatever your reason, international business travel should be a productive experience. Complications and emergencies such as natural disasters, illnesses, and injuries are a fact of life. While we hope none of these happen, we're here to help if they do. *Atlas Professional*, with benefits like coverage for inpatient and outpatient medical expenses, emergency medical evacuation, accidental death and dismemberment, and lost checked baggage, gives you the peace-of-mind you're looking for!

I have medical insurance in my home country; do I need multi-trip medical insurance?

Many times the primary medical insurance in your home country will not cover you or your employees while traveling abroad and often will not provide important services perhaps essential in the event of an illness or injury. *Atlas Professional* includes these essentials such as translation assistance while being treated, doctor and hospital referrals, and assistance replacing lost prescriptions.

Additionally, medical expenses can be very costly while abroad. Past clients have encountered over **\$90,000** from a heart attack. With Atlas Professional starting at **\$200 for the entire year**, can you afford not to have coverage?

After purchasing coverage, how can I trust the company to be there if I need them?

Security Matters! - *Atlas Professional* is underwritten by Syndicate 4141 at Lloyd's, London. Lloyd's provides accident and health insurance to more than 1,000,000 people in over 100 countries. Lloyd's currently enjoys an A+ (Strong) rating from Standard & Poor's and is highly qualified to protect you on your next international trip.

Your Time Matters! - Manage your account, renew coverage, file claims, locate healthcare providers, and more – all online – with Client Zone. Or call HCCMIS's World Service Center from many countries around the world collect or toll-free.

So get out and succeed around the world with *Atlas Professional* from HCCMIS by your side. It's health coverage to manage your peace of mind.

What's covered by Atlas Professional?

International Coverage

Emergency Medical Evacuation and Emergency Reunion

- Would you know what to do if you found yourself in a life-threatening situation far from home? HCCMIS is experienced in arranging emergency medical evacuations. Atlas Professional will cover the necessary expenses to transport the member to the nearest medical facility qualified to treat the life-threatening condition. We also understand the importance of family support in these difficult situations. Atlas Professional will also cover the transportation, lodging and meal costs for a relative to join the member after an emergency medical evacuation.

Repatriation of Remains - What would your family do if disaster strikes while you are away from home? The death of a loved one is never easy, no matter the circumstances. In the unfortunate event of your death while traveling abroad, Atlas Professional will arrange for and cover the costs associated with the repatriation of your remains.

Hospital Indemnity - If you are hospitalized, the world around you does not stop. What's more, in some places hospitals do not provide their patients basic necessities like meals, toothpaste or soap. If you are hospitalized as an inpatient for treatment of a covered illness or injury, Atlas Professional will provide \$100 for each night spent in the hospital.

Trip Interruption - One of a traveler's biggest worries is the safety of his or her home while away. If you learn that a catastrophic event like a tornado, hurricane or flood has caused severe damage to your home while traveling abroad, Atlas Professional will cover the cost of a one-way, economy class ticket to the airport nearest your home.

Home Country Coverage

Benefit Period Medical Coverage - A Benefit Period begins on the first day you receive medical attention for a covered illness or injury, either in the form of diagnosis or treatment, while you are outside of your home country, and it lasts 180 days. If your coverage terminates during a Benefit Period, Atlas Professional will continue to cover you for the duration of the Benefit Period for eligible medical expenses only that directly relate to the covered condition for which the Benefit Period began, whether you are abroad or in your home country.

Home Country Defined - If you are a US citizen, your Home Country is the United States, regardless of the location of your Principal Residence. If you are not a US citizen, your Home Country is the country where you principally reside and receive regular mail.

Other quality benefits offered by Atlas Professional:

Return of Minor Children - If you are expected to be hospitalized for more than 36 hours due to a covered injury or illness and covered children under 18 years of age will be left unattended as a result, Atlas Professional will cover the transportation cost for the children to return home.

Complications of Pregnancy - Atlas Professional offers coverage for Complications of Pregnancy during the first 26 weeks of gestation.

Political Evacuation: If, during the coverage period and after your arrival, the United States government issues a travel warning for your destination country, Atlas Professional will coordinate your alternate departure arrangements from that country and cover the associated costs.

Hospitalization & Outpatient Treatment: If a covered illness or injury requires hospitalization, the plan provides coverage for costs associated with hospitalization care, including intensive care, and outpatient treatment.

Natural Disaster Benefit: Natural disasters can happen anywhere and at anytime. If a natural disaster occurs while on your trip causing you to become displaced from your accommodations, Atlas Professional will provide relief of \$100 a day to help cover the costs of alternative accommodations.

Acute Onset of Pre-Existing Conditions

Coverage is available up to \$5,000 lifetime maximum for eligible medical expenses and up to \$25,000 lifetime maximum for Emergency Medical Evacuation. An Acute Onset of a Pre-existing Condition is a sudden and unexpected outbreak or recurrence of a Pre-existing Condition which occurs spontaneously and without advance warning either in the form of physician recommendations or symptoms. Treatment must be obtained within 24 hours of the sudden and unexpected outbreak or recurrence.

Optional Sports Coverage

Available for extreme sports trips or the adventurous traveler. For an additional 20% premium, this Rider adds coverage for the Amateur sports listed in the exclusion section of this brochure.

If you plan to participate in sporting activities such as mountain climbing or whitewater rafting, you may consider our Sports Rider. This optional Rider will provide medical coverage for injuries resulting from participation in one of these activities otherwise excluded from coverage.

The maximum policy limit for Injuries under this Rider is the Overall Maximum Limit you select. The Accidental Death and Dismemberment benefit is deleted during participation in Sports Activities. Purchase of the Rider does not include coverage for sports participated in for wage, reward or profit.

Optional Terrorism Rider

In these turbulent times, the risk of a terrorist attack is a reality. If you are in the wrong place at the wrong time, Atlas Professional offers the optional Terrorism Rider, which provides medical coverage for injuries resulting from these acts.
